

**Previously Arranged Titles**  
(updated 4/9/17)

Specific details about each arrangement (including audio samples) are available at <https://breezetunes.com>. The cost for each is \$300 (\$200 if using rhythm section only). We are happy to re-voice a song (for example, SATB to SSA) or adjust band instrumentation, as needed.

The use of any of these arrangements requires a valid custom arrangement license purchased from <https://tresonamusic.com>. Their licensing fees typically range from \$150 to \$250 per song and must be paid before you can receive your music.
